In last office action claims 3 and 7 were found allowable over prior art for reasons stated on page 3, line 16 to page 4, line 7 (reasons for allowance), however in same office action page 3, lines 1-8 a rejection of these claims was erroneously included. The intention was to delete the rejection as improper (based on hindsight.). Also see office action summary page.

The following is an examiner's statement of reasons for allowance: All claims are allowable for reasons stated in last response and in last office action, page 3, line 16- page 4, line 7 .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Neil Abrams at telephone number 571-272-2089.
